

# LEVEL 2: GEEK-NEWBIE

28<sup>TH</sup> to 29<sup>TH</sup> NOVEMBER 2018

## SUMMARY

"Stir" your child's interest in Software Development in an extremely fun, easy and memorable way! This time it's Android mobile app development, a continuation programme from our Geek-wannabe Bootcamp.

Please come join us for another great easy-to-learn modules inclusive of hands-on workshops, games, snacks, etc conducted by our experienced instructors and coders. Let us lay the foundation of coding concepts into their minds!

There are only 20 seats available so first come first serve. Bring a buddy and you will save even more !
