

LEVEL 1: GEEK-WANNABE

27TH NOVEMBER 2018

SUMMARY

'Stir' your child's interest in Software Development in an extremely fun, easy and memorable way! Join our 1-day-school-holiday program consisting of 4 easy-to-learn modules inclusive of hands-on workshops, games, snacks, etc conducted by our experienced instructors and coders.

Our modules are built from tested and proven methods which will help your child grasp the concepts of software development graphically. Start your child early. Let us lay the foundation of coding concepts into their minds!

There are only 20 seats available so first come first serve. Bring a buddy and you will save even more !
